The first Lieutenant Colonel in the chain of command is responsible and accountable for completing DA Form 4833 with support documentation (copies of Article 15s, court-martial orders, reprimands, etc) for all USACIDC investigations. The unit and brigade commander or their equivalent will also receive a copy of the DA Form 4833 for all USACIDC investigations.

Company, troop, and battery level commanders are responsible and accountable for completing DA Form 4833 with supporting documentation in all cases investigated by MPI, civilian detectives employed by the Department of the Army, and the PMO. Accurate and complete DA 4833 disposition reports are required to meet installation, command, HQDA, DOD, and federal statutory reporting requirements. The data is used to identify crime trends, establish command programs in law enforcement and other activities, and to ensure that resources are made available to support commanders who must address issues of soldier and family member indiscipline.

In court-martial cases, a conviction of an offense at court-martial may be for a different, or lesser included offense. List the offense for which the individual was convicted at court-martial in the remarks section. Provost Marshals must enter the "MP Report Number" (Block-1) for all cases referred to commanders. "Sub-Installation" (Block-1) is used to enter report number from a civilian law enforcement agency police report. Other information on the civilian law enforcement agency (e.g. civilian law enforcement agency address) may be entered in the remarks section.
